Hi all, hope everyone is enjoying the nice weather and had a chance to get out on our lakes or outdoors. Just a few reminders of upcoming events to get on your calanders.

1. Saturday May 13, is our WLA meeting at the town hall at 10:00. Special speaker is Chris Cold. You don't want to miss his presentation.
2. Saturday May 27<sup>th</sup> is our spring fling raffle ticket sales booth in Winter. Yes, we can use your sales skills and muscle to set up at our downtown Winter booth. If you can help let me know and I'll pass along the information to Deb. Also, remember to purchase your raffle tickets before they are gone. We have some awesome prizes again for our raffle including an underwater fish system (marcum), St Croix walleye rod and reel, beautiful oak chest, and cash.
3. June meeting is election of officers, two positions available
4. June 17, is our "kids fishing Event" lots of great prizes, smiles, and family fun. Plan on being a part of our wonderful day
5. Reminder to send in your membership cards, you can also designate monies to go for specific projects like stocking. Thanks for supporting WLA.
6. Heard some good fishing reports on our area lakes that we stock. Fishing was good, and we were part of this success!
7. More specifics to come after Saturday's meeting. hope to see you there.
